## Jonathan Burgess, Co-Founder

Jonathan Burgess is the Vice President of Sustainable Operations for The Spinnaker Group, a premier green-building consulting firm based in South Florida. Jonathan oversees the Sustainability Division's vision, mission and overall direction while leading, mentoring, planning and evaluating the work of all LEED project managers. He supervises all LEED projects, both locally and internationally, while exploring new project opportunities.

Jonathan currently serves on the USGBC Chapter Steering Committee, and is the immediate-past Chair of both the USGBC's Florida-Caribbean Region and the USGBC South Florida Chapter's Palm Beach Branch. Jonathan also served as Immediate Past Chair of the Sustainability Advisory Committee for the City of West Palm Beach, and is a Director of the South Florida Fair, an Advisor on the City of Miami's Park and Recreation Advisory Board, and is Past President of the Poinciana Park Neighborhood Association.
